

Attachment –Amendments to The Items of Controlled Telecommunications Radio-Frequency Devices

1. Announced by The NCC on Jul. 6, 2007. Ref: Tung-Chuan-Ji Tze No.09605099000.
2. The amendment of Attachment promulgated by NCC on Jul. 26, 2016. Ref: Tong-Chuan-Zih-Yuan-Zih No.10543013930.

Items	Remark
I. Wireless transmitter or transceiver devices of mobile communications.	Item added.
II. Wireless transmitter or transceiver devices of dedicated telecommunications: A. Seafaring radios; B. Aircraft radios; C. Taxi radios; D. Academic experimental radios; E. Radios for academic and educational purposes or dedicated experiment, research, and development purposes of networks; F. Amateur radios; and G. Radios for fisheries, electricity, police, firefighting, railways, highways, MRT, health care, water conservancy, meteorology, and other dedicated-use radios.	Item added.
III. Wireless transmitter or transceiver devices of fixed network telecommunications A. Microwave radio stations; and B. Fixed line cordless telephones.	Item added.
IV. Wireless transmitter or transceiver devices of satellite communications: A. Fixed earth stations; B. Mobile earth stations; and C. Personal locator beacons (PLB).	Item added.
V. Wireless transmitter or transceiver devices of wireless radio and TV broadcast: A. Wireless radio broadcasting station; B. Radio broadcasting auxiliary transceiver information system; C. Wireless TV broadcasting station; D. Microwave stations of wireless radio and television broadcasting programs; E. Television boosters; and F. Television converters.	Item added.
VI. Wireless transmitter or transceiver devices of low power radio waves radiated devices. However, the following equipments are not included: A. Passive tag radio frequency identification (RFID) equipment; B. Wireless chargers that do not have wireless communication functions; and C. Non-plug and play RFID components and modules.	This item was amended and moved from the original item 2.
VII. Other wireless transmitter or transceiver devices approved by NCC.	This item was amended and moved from the original item 5.
